## *“Rose’ are Pink”!*

### *September 2020* v8

#### *Alain Jaume Grand Veneur CDR rose*

*Salmon-pink color, clear and brilliant. The nose is fruity and spicy, reminiscent of wild strawberry and fine Provencal spices. The palate is full, well-balanced and fruity, with a long, fresh finish. A beautiful and delicate rosé.*

#### *Chateau de Segrie's Tavel Rose'*

*91 Points Vinous*

*"Deep orange-pink. Powerful aromas of ripe red berries, cherry, blood orange and nectarine, plus a hint of lavender emerging in the background. Palate-staining raspberry, bitter cherry and tangerine flavors develop a sweetening touch of honey. Chewy and expansive on the persistent finish, which repeats the pit fruit and floral notes. - Josh Raynolds"*

## **CAMBRIA SANTA MARIA ROSE**

*This Rosé of Pinot Noir has pronounced aromas of white peach, strawberry and citrus. The palate is medium bodied, with balancing and refreshing acidity, leading to a finish that expresses watermelon and grapefruit.*

## **ELOUAN OREGON ROSE**

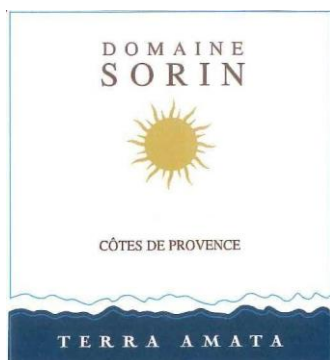

*A tart, all-Pinot Noir rosé, this opens with flavors of watermelon and strawberry, backed with lemony acidity. It's on the lighter side and well balanced; it would be a nice accompaniment to roasted fowl.*

## **LAB VINHO ROSE'**

*Cabernet Sauvignon, Castelao, Camarate*

*Well, we got a rose gold tinged rose. Smell and taste of peach, floral blossoms, and strawberry. Excellent value!*

## **Domaine Sorin Rose**

*Brilliant pink robe with aromas of white peaches and citrus fruit on the nose, hints of minerals and spice. Attacking freshness with hints of raspberry and red current on the palate.*
